	8:00-8:45 Adv. Tap						

When your child completes the Kindergarten Combo class, your child will advance through these combo class levels: \*Garnet \*Topaz \*Amethyst \*Opal \*Aqua \*Pearl \*Teen \*Advanced. Some of our classes fill up quickly so we may need to schedule an additional class, if a teacher is available and time permits, or you may need to have your child try a different class.
